

Tompkins Cortland Community College
Master Course Syllabus

Course Discipline and Number: BUAD 204
Course Title: Principles of Marketing

Year: 2018-2019
Credit Hours: 3

Attendance Policy: *To maintain good grades, regular attendance in class is necessary. Absence from class is considered a serious matter and absence never excuses a student from class work. It is the responsibility of all instructors to distribute reasonable attendance policies in writing during the first week of class. Students are required to comply with the attendance policy set by each of their instructors. Students are not penalized if they are unable to attend classes or participate in exams on particular days because of religious beliefs, in accordance with Chapter 161, Section 224-a of the Education Law of the State of New York. Students who plan to be absent from classroom activity for religious reasons should discuss the absence in advance with their instructors. See college catalog for more information.*

Services for Students with Disabilities: *It is the College's policy to provide, on an individual basis, appropriate academic adjustments for students with disabilities, which may affect their ability to fully participate in program or course activities or to meet course requirements. Students with disabilities should contact the Coordinator of Access and Equity Services, to discuss their particular need for accommodations. All course materials are available in alternate formats upon request.*

Course Description

Introduces students to the basic principles of marketing as they relate to modern day business. The course is centered on the four Ps: product, place, promotion, and price. Case problems and current marketing situations are utilized in discussing the marketing concepts. In addition, projects are assigned to allow the student to explore various marketing situations. Prerequisites: MATH 090 if required by placement testing; prior completion or concurrent enrollment in RDNG 116 and ENGL 100 if required by placement testing. 3 Cr. (3 Lec.) Fall and spring semesters.

Course Context/Audience

This course is intended for business administration students in the AAS degree program. It is a required course designed to provide students with both theory and practical aspects of consumer orientation as an effective management tool. The course is also a prerequisite for BUAD 102, BUAD 211 and BUAD 213.

Basic Skills/Entry Level Expectations

- Writing:** WC College level writing skills are required. See course co-requisites or pre-requisites.
Math: M2 Completed MATH 090 (if needed) - Course requires only the use of basic mathematical skills.
Reading: R3 Course may be taken concurrently with RDNG 116.

Course Goals

1. Students will develop a clear understanding of key marketing concepts and issues.
2. Students will develop an understanding of the applicability of marketing theory in practice in today's workplace.
3. Students will be able to distinguish between strategic and tactical marketing issues.
4. Students will be able to comprehend fundamental marketing topics such as consumer decision making, business marketing, segmenting and targeting, marketing research and marketing decision support systems.
5. Students will be able to integrate social and environmental sustainability into marketing decision framework.
6. Students will acquire a global vision for your marketing decisions.
