

Tompkins Cortland Community College
Master Course Syllabus

Course Discipline and Number: BUAD 106
Course Title: Foundations of Business

Year: 2020-2021
Credit Hours: 3

Attendance Policy: *To maintain good grades, regular attendance in class is necessary. Absence from class is considered a serious matter and absence never excuses a student from class work. It is the responsibility of all instructors to distribute reasonable attendance policies in writing during the first week of class. Students are required to comply with the attendance policy set by each of their instructors. Students are not penalized if they are unable to attend classes or participate in exams on particular days because of religious beliefs, in accordance with Chapter 161, Section 224-a of the Education Law of the State of New York. Students who plan to be absent from classroom activity for religious reasons should discuss the absence in advance with their instructors. See college catalog for more information.*

Services for Students with Disabilities: *It is the College's policy to provide, on an individual basis, appropriate academic adjustments for students with disabilities, which may affect their ability to fully participate in program or course activities or to meet course requirements. Students with disabilities should contact the Coordinator of Access and Equity Services, to discuss their particular need for accommodations. All course materials are available in alternate formats upon request.*

Course Description

Designed to present an overview of the field of business. Business concepts including the economy, competition, management, and labor relations, are introduced through lecture and discussion. The course also explores business areas such as banking, insurance, and the securities market. Prerequisites: RDNG 099 if required by placement testing; prior completion or concurrent enrollment in ENGL 099 and MATH 090 if required by placement testing. 3 Cr. (3 Lec.) Fall and spring semesters.

Course Context/Audience

This is a required course for students in the following programs: Accounting - Certificate and A.A.S., Business Management - Certificate, Business Administration A.A.S., Computer Information Systems - A.A.S., Computer Support Specialist - A.A.S., Hotel and Restaurant Management - A.A.S., and Web Design - A.A.S. The course is a prerequisite for BUAD 204 Principles of Marketing. Students receive an overview of the field of business including information on ethics, accounting, economics, marketing, management, the stock market and the social responsibility of business. This course is also appropriate for someone with a general interest in the field of business.

Basic Skills/Entry Level Expectations

Writing: W1 Student should be taking ENGL 099 (if needed). The course requires very limited writing, e.g., short written responses of a paragraph or less.

Math: M1 Taking MATH 090 (if needed) – Course requires limited use of very basic mathematical skills.

Reading: R2 Before taking this course, students must have a C or better in RDNG 099 or assessment indicating that RDNG 099 was not required.

Course Goals

By successfully completing this course, the student will be able to demonstrate:

1. Familiarity with the basic areas of business.
2. Knowledge of basic business terminology.
3. The ability to make knowledgeable business career choices.
4. Appropriate preparation for advanced course work in business.
