

**Tompkins Cortland Community College**  
**Master Course Syllabus**

**Course Discipline and Number: BUAD 111**  
**Course Title: International Business**

**Year: 2020-2021**  
**Credit Hours: 3**

**Attendance Policy:** *To maintain good grades, regular attendance in class is necessary. Absence from class is considered a serious matter and absence never excuses a student from class work. It is the responsibility of all instructors to distribute reasonable attendance policies in writing during the first week of class. Students are required to comply with the attendance policy set by each of their instructors. Students are not penalized if they are unable to attend classes or participate in exams on particular days because of religious beliefs, in accordance with Chapter 161, Section 224-a of the Education Law of the State of New York. Students who plan to be absent from classroom activity for religious reasons should discuss the absence in advance with their instructors. See college catalog for more information.*

**Services for Students with Disabilities:** *It is the College's policy to provide, on an individual basis, appropriate academic adjustments for students with disabilities, which may affect their ability to fully participate in program or course activities or to meet course requirements. Students with disabilities should contact the Coordinator of Access and Equity Services, to discuss their particular need for accommodations. All course materials are available in alternate formats upon request.*

**Course Description**

Introduces students to the international perspective necessary for businesses to succeed in world markets. Topics related to international business include management, marketing, finance, strategic decision-making, laws and regulations, and the cultural aspects of international business. Prerequisites: RDNG 116 if required by placement testing; prior completion or concurrent enrollment in ENGL 100. 3 Cr. (3 Lec.) Fall and spring semesters.

**Course Context/Audience**

International Business is a required course in the Business Administration A.S. and the International Business A.S. programs. It can be taken as a business elective in the Business Administration A.A.S. program. This course may be also taken as an unrestricted elective.

**Basic Skills/Entry Level Expectations**

**Writing:** WC College level writing skills are required. See course co-requisites or pre-requisites.

**Math:** MC College level math skills – Course requires college level math skills. See course description for co-requisite and/or prerequisite requirement(s).

**Reading:** R4 Before taking this course, students must satisfactorily complete RDNG 116 or have assessment indicating that no reading course was required.

**Course Goals**

1. Students will be able to understand the basic vocabulary, principles, and theories of international business.
2. Students will acquire an awareness of, and an appreciation for, the diversity and complexity of the international environment.
3. Students will be able to understand and analyze the legal, cultural, political, and economic problems that challenge management.
4. Students will be able to appreciate the ethical and social responsibility issues that impact business.
5. Students will be able to improve their cultural sensitivity and tolerance for differences.
6. Students will acquire information pertaining to the government, economy, geography, people, and infrastructure of countries throughout the world.
7. Students will be able to understand international business culture, customs and protocol, negotiation tactics, and cross-cultural communication.
