# Tompkins Cortland Community College <br> Master Course Syllabus 

Course Discipline and Number: SPAN 100<br>Course Title: Occupational Spanish

Year: 2023-2024
Credit Hours: 3

#### Abstract

Attendance Policy: To maintain good grades, regular attendance in class is necessary. Absence from class is considered a serious matter and absence never excuses a student from class work. It is the responsibility of all instructors to distribute reasonable attendance policies in writing during the first week of class. Students are required to comply with the attendance policy set by each of their instructors. Students are not penalized if they are unable to attend classes or participate in exams on particular days because of religious beliefs, in accordance with Chapter 161, Section 224-a of the Education Law of the State of New York. Students who plan to be absent from classroom activity for religious reasons should discuss the absence in advance with their instructors. See college catalog for more information.

Services for Students with Disabilities: It is the College's policy to provide, on an individual basis, appropriate academic adjustments for students with disabilities, which may affect their ability to fully participate in program or course activities or to meet course requirements. Students with disabilities should contact the Coordinator of Access and Equity Services, to discuss their particular need for accommodations. All course materials are available in alternate formats upon request.

## Course Description

Provides basic foreign language tools necessary for effective and service-oriented employment. Students develop communication and cross-cultural skills crucial for successful work in an organization with a diverse staff. Field specific vocabulary, key cultural differences, and team building guidelines are emphasized. Phonetic software facilitates the learning process. Prior completion or concurrent enrollment in ENGL 100 or ESL 120, 121, and 122 (or prior completion of ESL 103) and RDNG 116 if required by placement testing. 3 Cr . (3 Lec.) Fall semester.

## Course Context/Audience

This course can be used to satisfy a liberal arts or a humanities elective requirement. In addition to acquiring beginning level proficiency in Spanish, students will learn about field specific vocabulary, commands, and phrases to function appropriately in the work environment. This course concentrates on reading, listening, memorizing, speaking, and writing vital Spanish to allow non-Spanish speaking employees to interact and communicate with Spanish speaking workers in situations related to the field. The course should be of interest to individuals who want to acquire a beginning level of competency in Occupational Spanish communication.

## Basic Skills/Entry Level Expectations

Writing: WC College level writing skills are required. See course co-requisites or pre-requisites.
Math: M0 Course requires very little or no math.
Reading: R3 Prior completion or concurrent enrollment in RDNG 116 if required by placement testing.

## Course Goals

Upon successful completion of this course:

- students will be able to: communicate using basic Spanish vocabulary in their daily experience as employees in a field
- students will be able to use direct commands, readymade useful sentences for common situations, ask simple questions to obtain information, and communicate with Spanish speaking people using their own sentences

Course Objectives/Topics
